### Our Story

## How It All Began

Back in 2019, our founder Mary Moreno created Mary's Power Clean in Oceanside, California, to give busy American homeowners a reliable, professional, affordable solution to messy, dirty facilities.

Mary's Power Clean, Inc. is professional commercial and residential cleaning service with the highest standards in today's janitorial market. We are committed to professionalism, hiring the most seasoned professionals with five-store hotel and commercial experience. We also hold accountability, which is measured on performance metrics, such as customer services, and reviews.

Mary's Power Clean is so much more than just a cleaning service. We are a company that wants our clients to have back the time they deserve to enjoy their lives. We are very happy to provide you, your company or other facilities the greatest cleaning service. MPCLEANS give personalized flat-rate pricing for every different

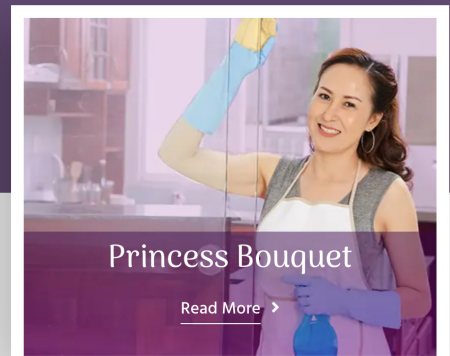

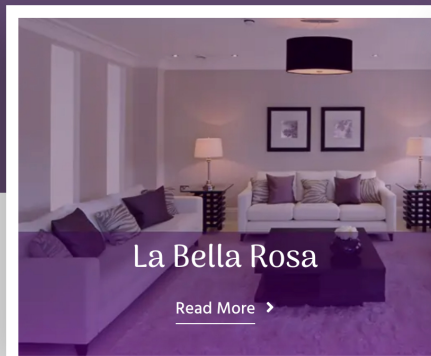

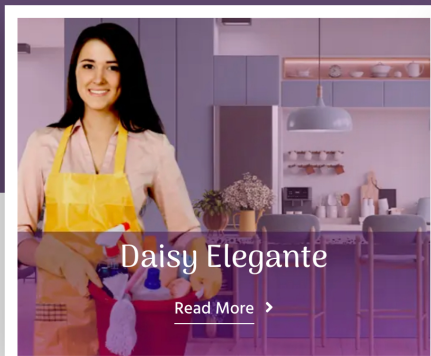

space, to satisfy any special need. We elude from hourly rates, harmful products, and dishonest relationships. We have over 12 years of experience in vacational, commercial and residential facilities deep cleaning services. We're here to clean, while you enjoy everything else!
